CHAMPAGNE

CRÉATEUR DE SENSATIONS

FRAGMENTS BRUT BLANC DE NOIRS

Exclusively composed of Meunier and Pinot Noir, Fragments de Noirs Brut expresses richness and stature. This cuvée mixes fruity and stewed aromas and offers to you the score of a rich and diversified aromatic universe as a token of a great maturity.

COMPOSITION

65 % Meunier - 35 % Pinot Noir
100 % made with the first pressing
Malolactic fermentation.
Dosage: 10 g/l

Fragments de Noirs Brut has a luminous and dense hue with pale golden shades. Pale golden yellow highlights with amber hints complete these shades.

The nose reveals greediness with notes of mango, candied apricot, mirabelle, roasted pineapple, quince purée and honey. The aeration of the wine reveals notes of grilled almond, Napoleon cherry, marmalade, pear and fruit jelly.

The palate is rich and fresh with creamy and polished bubbles. Fragments de Noirs Brut develops a fruity, pulpy and concentrated structure highlighted by the acidity of fleshy fruits. The middle palate is guided by a minerality mainly composed of clay and sand that brings fruity volume, chewiness, iodine saltiness and lastingness to the palate. The Champagne fills the palate with thickness and is a real fruity gift that lasts in a full, juicy and tasty finish.
